### **MEA congratulates Dr. Robert Abela**

The Malta Employers' Association congratulated Dr. Robert Abela on his appointment as the new Prime Minister of Malta. The Association said that it looks forward to work with Dr. Abela to restore confidence in the national institutions and Malta's international reputation. Malta needs to recover from this political and moral crisis by strengthening its structures to ensure better governance and transparency through the participation of all social partners. The Association pledged its full support to the new Prime Minister to take the country forward.
