

MEA TV Programmes

For the purpose of the MEAGreen initiative, the Association mobilized all its resources and internal channels of communication and membership engagement. Principal amongst these is the MEA TV Programme, with audiences exceeding 20,000 every week. The Association, dedicated several, 25-minute programmes to promote aspects related to ESG and SDG governance and panel discussions about the Circular Economy; Climate Neutrality and Work; Green Jobs; Jobs in the Maritime Industry; the European Green deal and other topics related to clean energy, resource efficiency and biodiversity
