### **MEA congratulates Dr. Roberta Metsola as the new President of the European Parliament**

The Malta Employers' Association congratulated Dr. Roberta Metsola on her appointment as President of the European Parliament. The Association said that the strong vote of support for her nomination is evidence of her ability to rise up to the occasion to take on such a demanding role. MEA added that this is a day that should unite all Maltese into celebrating such a milestone as a member of the European Union, and that the confidence expressed by 74% of EU MEPs in Dr. Metsola is a positive step into improving Malta's branding as a country that can generate people of such calibre and integrity. MEA appealed to Dr. Metsola to promote the needs of enterprise in her role as a means through which all EU citizens can benefit from a better quality of life.

The Association said that it is very confident, that with her dynamic character, qualifications and experience, Dr. Metsola will do Malta and the rest of the European Union proud in her role.
