Press Release

MEA gives Minister Gatt its Backing on Sea Malta

The Malta Employers' Association called on Minister Austin Gatt to spare no effort to finalise a deal to save Sea Malta and the livelihood of its employees and wished him every success in his negotiations with Grimaldi.

The Association also stated that it saw no scope in meeting at MCESD to discuss an issue which was now concluded, with the result known to the public. Everybody was now waiting to see if government can manage to salvage Sea Malta.
