Employment of Persons with a Disability

information session

INTRODUCTION

Some months have passed since a Memorandum of Understanding was signed with JobsPlus to establish a working relationship with JobsPlus and the Lino Spiteri Foundation with respect to the employment of persons with disability. A lot of progress has been registered during this period and the MEA is organising an informal information session to explain the contents of the MOU and also for employers to be given the opportunity to address any questions about their experience thus far with representatives from JobsPlus.
