

Malta, 30th April 2020

To whom it may concern,

Our collaboration with the Malta Employer Association (MEA) started in 2019 when we had the opportunity to deliver two workshops on multiculturalism at the workplace for MEA members. The workshops have seen the participation of almost 50 HR managers and companies directors interested in understanding and promoting diversity and inclusion at the workplace, in their companies and organisations.

Since then our collaboration with MEA has evolved and now a session on cultural diversity at the workplace is also part of the Award in Human Resources Management in Practice organized by MEA.

MEA has proven to be an excellent partner, committed on promoting diversity and inclusion in the workplace and to build a network of partners able to support and collaborate in various initiatives on the same topic.

We wish you MEA to continue their work to enhance awareness on diversity and inclusion at the workplace,

Best regards,

Viviana Premazzi
